DecorationSafe

People look for a safe and comfortable environment for working and rest. Yet, one may need to face considerable financial loss or liability claims arising out of unforeseeable accidents during the decoration period. The liability coverage for decoration work, however, is usually not well protected under household insurance.

Our DecorationSafe insurance plan protects you against the loss due to the decoration, maintenance or renovation work at your Home, in Shop and Office premises. This plan covers not only the cost of damaged decoration materials but also the potentially huge claim amount of third party liability. With Blue Cross, you and your premises can enjoy all-round coverage.

Basic Protection

This plan offers 2 sections of basic protection. You may choose to insure for both Section I and Section II at the same time or Section II alone.

Section I - Material Damage

It provides "All Risks" coverage for loss of or damage to the insured contract works or materials at the contract site caused by fire, water, burglary or explosion, etc. during the insurance period. Items include flooring, tiles, wallpaper, woodenware, sanitary ware and other related decoration materials.

Free Extensions

Removal of Debris

This provides coverage for the cost of removing debris following an insured accident at the site, subject to a maximum of 5% of the total contract value.

Automatic Increase of Contract Value

The quotation and the final contract value may be different. The cover for your contract value will be automatically increased by a maximum of 10% without the need to pay any additional premium.

Section II - Public Liability to Third Party

This protects you against legal liability in respect of third party bodily injury and/or property damage arising out of the contract work.

Free Extension

Principal Property Damage

To indemnify the insured contractor's liability against loss of or damage to the property belonging to the principal in the care or control of an insured contractor for the execution of the contract, subject to a maximum indemnity of HK\$1,000,000.
